§ 1662.6

SOURCE: 47 FR 7223, Feb. 18, 1982, unless otherwise noted.

§ 1662.1 Applicability of this part.

The provisions of this part prescribe the procedures for requests for information under 5 U.S.C. 552, as amended (Freedom of Information Act).

§ 1662.2 Procedure for requesting information.

Requests for information under the Freedom of Information Act (FOIA) shall be in writing and should be addressed to the Director, Selective Service System, ATTN: Records Manager, Washington, DC 20435.

§ 1662.3 Identification of information requested.

Any person who requests information under FOIA shall provide a reasonably specific description of the information sought so that it may be located without undue search. If the description is not sufficient, the records manager will notify the requester and, to the extent possible, indicate the additional information required. Every reasonable effort shall be made to assist a requester in the identification and location of the record or records sought.

§ 1662.4 Consideration of requests for information.

(a) Upon receipt of any request for information or records, the records manager will determine within 10 days (excepting Saturdays, Sundays, and legal federal holidays) whether it is appropriate to grant the request and will immediately provide written notification to the person making the request. If the request is denied, the written notification to the person making the request will include the reasons therefor and a notice that an appeal may be lodged with the Director of Selective Service.

(b) Appeals shall be in writing and addressed to the Director of Selective Service at the address specified in § 1662.2 of this part. The appeal shall include a statement explaining the basis for the appeal. Determinations of appeals will be in writing and signed by the Director, or his designee, within 20 days (excepting Saturdays, Sundays, and legal federal holidays). If, on ap-

peal, the denial is in whole or in part upheld, the written determination will include the reasons therefor and also contain a notification of the provisions for judicial review.

§ 1662.5 Inspection, copying, and obtaining copies.

When a request for information has been approved in accord with § 1662.4, the person making the request may make an appointment to inspect or copy the materials requested during regular business hours by writing or telephoning the records manager at the address listed in § 1662.2. Such materials may be copied manually without charge, and reasonable facilities will be made available for that purpose. Also, copies of individual pages of such materials will be made available as specified in § 1662.6; however, the right is reserved to limit to a reasonable quantity the copies of such materials which may be made available in this manner.

§ 1662.6 Fee schedule; waiver of fees.

(a) *Definitions.* For the purposes of this section:

(1) *Direct costs* mean those expenditures which the Selective Service System (SSS) actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing work (the basic rate of pay for the employee plus 16 percent of the rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(2) The term *search* includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. *Search* should be distinguished from *review* of material in order to determine whether the material is exempt from disclosure (see paragraph (a)(4) of this section). Searches may be done manually or by computer using existing programming.

(3) *Duplication* refers to the process of making a copy of a document necessary to respond to an FOIA request.
